

STATEMENT OF WORK

Web & Mobile Application Development

Issued under the Master Services Agreement between the Parties

SOW Number:	_____
Issued Date:	_____, _____, _____
Project Name:	_____
Service Provider:	_____
Client:	_____
Project Start:	_____
Estimated End:	_____
Total Fixed Price:	USD \$ _____

1. Purpose and Background

This Statement of Work ("SOW") is entered into pursuant to the Master Services Agreement ("MSA") between _____ ("Consultant") and _____ ("Client"), and defines the scope, deliverables, timeline, and compensation for the development of _____ (the "Project"), a web and mobile application described herein.

In the event of conflict between this SOW and the MSA, this SOW shall control for matters specific to this engagement.

2. Scope of Work

2.1 In-Scope

Consultant agrees to design, develop, test, and deploy the following components as part of the Project:

Component	Description	Platform
_____	_____	Web
_____	_____	Web
_____	_____	iOS / Android

_____	_____	iOS / Android
Backend API	_____	Cloud
Database	_____	Cloud
Integrations	_____	API / Webhooks

2.2 Out of Scope

The following are explicitly excluded from this SOW unless added via a written Change Order: (a) third-party service fees (hosting, APIs, licenses); (b) content creation, copywriting, or data migration; (c) ongoing support or maintenance after the warranty period; (d) features not listed in Section 2.1; (e) hardware or device procurement.

2.3 Client Responsibilities

Client agrees to: (a) provide timely feedback within five (5) business days of each deliverable submission; (b) supply all required content, assets, credentials, and third-party access within three (3) business days of request; (c) designate a single point of contact with authority to approve decisions; (d) make milestone payments on time as specified in Section 4. Delays caused by Client may result in timeline adjustments at no additional cost to Consultant.

3. Milestones and Deliverables

The Project is organized into the following phases. Each milestone is subject to the acceptance process defined in the MSA (Section 5).

#	Milestone	Deliverables	Duration	Payment
1	Discovery & Design	Wireframes, UI mockups, tech architecture doc, approved by Client	_____ _____	\$ _____ _____
2	Backend & API Development	Database schema, REST/GraphQL API, authentication, core business logic	_____ _____	\$ _____ _____
3	Web Application	Fully functional web app, connected to API, responsive design, deployed to staging	_____ _____	\$ _____ _____
4	Mobile Application	iOS & Android app, connected to API, submitted to App Store & Google Play	_____ _____	\$ _____ _____
5	QA, Testing & Launch	End-to-end testing, bug fixes, production deployment, launch sign-off	_____ _____	\$ _____ _____
	TOTAL			\$ _____ _____

Duration per milestone is estimated from the start date of that phase. Actual start of each phase depends on timely delivery of Client responsibilities and payment of the preceding milestone.

4. Payment Terms

The total fixed price for this SOW is **USD \$** _____, payable in milestone installments as defined in Section 3. Invoices are due within _____ days of issuance. Payments not received by the due date shall accrue interest at _____% per month.

Consultant shall not begin a new milestone phase until the invoice for the preceding milestone has been paid in full. All prices are in USD and exclude applicable taxes. Pre-approved third-party expenses are billed at cost with supporting receipts.

5. Technology Stack

The following technologies are proposed for this Project. Final selection is subject to mutual agreement prior to the start of Milestone 2.

Layer	Technology	Notes
Frontend (Web)	_____	_____
Mobile	_____	_____
Backend / API	_____	_____
Database	_____	_____
Cloud / Hosting	_____	_____
Integrations	_____	_____

6. Acceptance Criteria

Each deliverable shall be considered accepted when it: (a) meets the functional requirements described in Section 2.1 and any attached specifications; (b) passes the agreed test cases without critical or high-severity bugs; and (c) receives written approval from Client's designated point of contact.

Client shall review each deliverable within five (5) business days and provide either written acceptance or a written list of specific deficiencies. Silence within five (5) business days constitutes acceptance. Consultant shall address documented deficiencies within a mutually agreed timeframe. Minor cosmetic preferences do not constitute grounds for rejection.

7. Post-Launch Warranty

Consultant warrants that the Deliverables will materially conform to the agreed specifications for a period of _____ days following the final launch acceptance ("Warranty Period"). During the Warranty Period, Consultant shall correct any bugs or defects that prevent the application from functioning as specified, at no additional charge. The Warranty Period does not cover: (a) issues caused by Client's modifications or third-party integrations; (b) hosting or infrastructure failures outside Consultant's control; or (c) new feature requests.

8. Intellectual Property

Upon receipt of full payment for all milestones, Consultant grants Client a perpetual, irrevocable, worldwide, non-exclusive license to use, modify, and deploy the Deliverables for Client's business purposes, as defined in the MSA. Consultant retains ownership of all Pre-Existing IP and general-purpose components. Third-party open-source components are subject to their respective licenses.

9. Confidentiality and Governing Law

This SOW is subject to the confidentiality obligations and governing law provisions of the MSA. All information shared in connection with this Project is presumed confidential. This SOW shall be governed by the laws of the **State of Florida** and any disputes shall be adjudicated in the courts of _____ County, Florida.

10. Amendments and Change Orders

Any changes to the scope, timeline, or pricing defined in this SOW must be agreed upon in a written Change Order signed by both Parties. Consultant will provide a written estimate (effort, cost, and timeline impact) for any requested change within three (3) business days. Work on changes shall not begin until the Change Order is fully executed.
